 We want you to recognise a fraudulent email if you receive one. Lloyds Bank will always greet you personally using your title, surname and part of your postcode: XXX4BW

We've set up your new  
Lloyds Classic Account

Dear Mr Daodu

**Your sort code:** 309617

**Your account number:** 33890262

Thank you for choosing your new Lloyds Classic Account. If you've opened a new account, your Visa debit card and PIN should be with you within the next 7 days. We may also send you a new Visa debit card and PIN when you change your account. We'll usually notify you of this when you apply. Your new Visa debit card and PIN will be sent separately to keep your account safe.

If you've asked us to switch regular payments, such as Direct Debits or standing orders from another account to this one, we'll do this by the date you've chosen. If you haven't and you'd like to, it's not too late. Please fill in the switching form [here](#) and we'll do the rest.

### Ways you can manage your account

There are a few ways you can keep track of your account.

#### Mobile Banking app

Manage your account on the go using your smartphone with our secure app.

- **If you already use our app for other accounts** - you'll see your new account when you log on.
- **If you're already registered for Internet Banking with us** - you can use your logon details on the app too.
